Contract for furnishing "Type A/Type C and Type B Barricade Lights" for a period beginning May 1, 2005 and ending April 30, 2006.

**Description:**

This specification covers Type A/Type C and Type B Barricade Lights for use on temporary traffic control devices.

**General Specification:**

Barricade lights shall be in accordance with the MUTCD and ITE's 'Purchase Specification for Flashing and Steady-burn Warning Lights' and shall be considered a lightweight light per FHWA letter WZ-54. Barricade Lights shall consist of a single unit (head and housing), employ LED technology, and be equipped with tamper-proof mounting hardware, including one wrench for every ten units ordered.

**Certification and Acceptance:**

The manufacturer shall provide written certification that the Type A/Type C and Type B barricade lights provided comply with the requirements of this specification. Acceptance of Type A/Type C and Type B barricade lights will be by certification and any tests deemed necessary by the department for compliance with this specification.
